Read: Letter C.No.22595-W6-48 dated 7-11-1948 from the Collector of South Kanara.

Submitted to Government.

2. The staff sanctioned in G.O.No.Ms.752, Food, dated 13-8-1948 and No.856, Food, dated 25-9-1948 for work connected with the payment of bonus to producers in the South Kanara district was disbanded on the expiry of sanction. The Government have ordered that the payment of cash value of the coupons presented by ryots should be completed by 31-12-1948. There are still 12,603 applications for bonus pending disposal in the district. It is not possible to attend to this work without a special staff. The Board therefore requests that sanction may be accorded for the employment of 12 additional Lower Division Clerks (at 2 Lower Division Clerks for each of the 6 taluks of Mangalore, Puttur, Coondapur, Karkal, Kasargod, and Udipi) for a period of 2 months from the date of employment or till the need ceases whichever is earlier.

3. The expenditure may be debited to "63-Extraordinary charges-a. charges in India - D. Establishment for Price-Control-I+ Board of Revenue".

4. The Board requests early orders.

Copy of Ref.No.C.22595-W6-48 dated 7-11-1948 from the Collector of South Kanara to the Secretary to the Commissioner of Civil Supplies, Madras.

Sub: Procurement - Paddy and rice - Bonus scheme, 1947 - Additional staff - sanction - requested.
Ref: Board's Reference No.83838-UV-48-12 dated 1-10-1948.

The Board in its reference cited ordered that the issue of food bonus coupons should be stopped immediately and that even the coupon portion of the bonus already drawn should be paid in cash to all producers. Before this order was received, large sums of money had been drawn from the Treasury for the disbursement of bonus. Hence, fresh bills have to be prepared in all the cases for the coupon portion of the bonus and the amount in cash drawn from the Treasury. A lot of scriptory work is involved in this as the balance pending disbursement, as on 1-11-1948, was Rs.191795-13-11 in the district.

2. Again, bills have to be prepared in respect of

respect of coupons presented by the ryots also, as they have now been given the option of having either manure or cash in exchange for the coupons. As the ryots are not sure of getting manure and as 31-12-1948 has been fixed as the last date for presenting the coupons there is a rush of coupons from all places. The work connected with the payment of cash in exchange for these coupons is voluminous as the amount has to be disbursed to claimants just like bonus separate disbursement registers being maintained for the purpose.

3. Besides, cash value in exchange for the coupons presented by cooperative Societies also, has to be billed for and disbursed. Thus it will be seen that all the bonus coupons issued till now-- will come back--either direct from the coupon-holders or through cooperative societies. In addition to these items of work the disbursing officers have to attend to the numerous audit objections that are pouring in from the Accountant-General, and to the disbursement of the balance to the original claims, which, in itself is heavy especially as 'C' class applications from the bulk.

4. At present there is no additional staff for bonus work in Taluk Offices. The additional staff sanctioned in G.O.Nos. Ms.856 Food dated 25-9-1948 and G.O.Ms.No.752 food dated 13-8-1948 was disbanded after the expiry of the period of sanction. As the existing staff in the Civil Supplies section has to concentrate its attention on intensive procurement work and informal rationing, it will not be able to attend to these items of work. Therefore I request that an additional staff of 12 Lower Division Clerks at the rate of 2 for each Taluk Office may kindly be sanctioned for a period of two months from the date of appointment. Considering the urgency and the rush of work, this is the minimum staff that is required. Early orders may kindly be passed and communicated to me.
